## **Invest in Me**

Helping you to achieve your goals, take a chance, explore new things, build confidence and skills, provide help when it is needed.

## Where does it fit?

I have goals and need some help.

Somethings happen that I didn't plan.

Something has happened and I need help right now.

**Emergency** 

What will be the outcome and impact on the young persons life?

- +ve impact in a life domain
- Helps them achieve a goal
- Increases their health or wellbeing
- Increase their skills or knowledge
- Encourages and increases independence by having a go
- Reduces risk
- Decreases disadvantage

There is an immediate risk to young person's safety or health. How much time do I have to explore options?

A lot of time

Not much time

I need it right now How to find and use services to help me.

What I want for my future.

what I need and want.

How to find

How to talk to

people about

How to solve my own problems.

I know...

What should be available to me as a young person.

That I am responsible for my actions.

Where to find financial help when I need it.

Coach helps to understand the

cost and timeframe and applies

directly to the coordinator;

Who's my mob is and how to connect

with them.

and use information to help me.

How to ask for help and who to ask.

I will learn from my mistakes.

How to use my money to achieve my goals.

My connection to country and culture.

I can

help

others.

Coach schedules in a reflection time with the young person to do future planning.
